HEART OF TEXAS BEARS—FROM THE PRESIDENT'S DESK

Spring in the Hill Country, I wish I were a poet. I would write poems about waking to thunderstorms, the endless fields of native plants and the colors. I would tell of my inner struggles to either lie around in the sun all day like a fat dog or channel Joan Crawford and dig up everything in the garden, "Tina, bring me the axe!"

These poems would read like country songs. They would be filled with Texas pride and I would remember the Alamo. I would be straight shooting and eat more chicken fried steak. Wait, this has already been done.

A big thanks to all the HOT Bears that made our Third Anniversary Weekend a HUGE success. I would like to see this event become

our Bear Run with more activities for the HOT Bears and our out-of-town guests. I spoke with three Houston Bears at the Bear Bust and they had quite a time finding a hotel room because of SXSW. I am open to suggestions or ideas about setting up a database of members who are willing to host a Bear or two in their home.

One problem that has been brought to my attention is that at Chuy's and a couple of our Bear Day and Night Out functions, we have come up short on the check at the end of the meal. Most restaurants put our meals on one ticket and will automatically add a fifteen to twenty percent gratuity. Please remember to include this in the price of your meal. I have a Tip Table I will bring,

if you disagree with tipping or the included gratuity you will need to discuss it with the manager of the restaurant.

Anyone who has traveled in Europe isn't shocked at this tipping suggestion. In France and many other countries in Europe, the gratuity is already part of the meal's cost and tipping beyond that is not customary. Remember that at restaurants, the wait staff is usually paid less than minimum wage.

We have received several great ideas for future events. A game night and bowling are just two. It looks like we are gearing up for a great Summer here in Austin.

Hugs,
Ed

FROM THE DESK OF THE HOTB SECRETARY—GARRETH H.

The HOT Bears would not be where we are today without some extra help from some certain people in the club. Many of them sacrificed time and volunteered many hours to not only get the club started, but to keep it going. These people range from incorporation of the club to past officers to Bear Briefs editors/publishers. The current board recognizes all the hard work and many

hours of labor it takes to keep the club up and running, and we felt like it was time for us, as a club, to stand back and just say thank you to these people. We certainly would not be here today without all the work these people have put into the HOTBears.

Certificates of Appreciation were presented to: Carl F, James B, Jeff M, David S, Rafael J, Thad G, Aldo W, Scott C, Leonard

S, Marcus M, Mike H. Roy C and Jim M received certificates also for all the hard work and many hours of service to the club this year. Please thank these people when you see them because they all need to hear how much we appreciate them and know what they have done for the HOTBs.

Garreth H.
Secretary, HOTBs

Chain Drive Turns 15—Our home bar, The Chain Drive is celebrating 15 years in business with a 15 day celebration beginning April 10th and concluding on the actual anniversary of April 24th. Most of us know that a software company is planning to build on the Chain Drive's current site. The company has purchased the option to buy the property and has until May to decide whether or not to buy. Even if they purchase the property, they might not begin immediate construction. With Austin's economy, no one knows what will really happen. Until then, PARTY ON! Congratulations to Donald and the fine staff of Chain Drive.
